January June

Year _____

Would you be willing to start on a different date? Yes No

If yes, which dates _____

Please answer the following questions, typed on a separate sheet of paper.

1. Describe your musical skills and background. On what instruments are you proficient? What musical skills do you need to improve?
2. Please describe your philosophy of music therapy, including what makes an exceptional music therapist.
3. Please describe any experiences in clinical practica, or personal life that have impacted your development as a music therapist.

4. Briefly describe your music therapy skills that set you apart from other music therapy students.
5. In what area do you feel that you need the most improvement to become a successful music therapist?
6. Please describe what type of work environment and clinical setting you feel most comfortable working in?
7. What population(s) are you most interested in working with and why?
8. What population (s) are you least interested in working with and why?
9. Why do you want to intern in this setting and what do you hope to gain from this particular intern experience?
10. What type of supervision do you find most beneficial to your own learning process?

Please submit the following information:

1. Three reference letters (signed and sealed)
 1. Director of Music Therapy
 2. Practicum Supervisor
 3. Personal or Employment Reference
2. Official signed copy of your transcripts
3. Resume describing your clinical practica, music, work and volunteer experience

Because MMT, Inc. strives to provide the highest level of music therapy to our clients, you will be required to demonstrate your clinical and musical skills in a variety of clinical settings as part of the application process. In the event that you live outside Colorado and are unable to arrange an on-sight audition, audio and video practica tapes (with proper release forms) will be accepted. Additional, performance tapes may be required.

Thank you for your interest in our internship program.

Sincerely,

Lori Sanders, MM, MT-BC, NMT
Clinical Training Director
